Dear Mr. Murphy;

Per our telephone conversation on today's date, this letter will serve as an unambiguous request for the return of the original film footage taken by my grandfather, Orville O. Nix, of the John F. Kennedy assassination. This film was purchased for copyright by UPI Newsfilm in 1963. The copyright has subsequently been returned to our family as heirs of Orville Nix.

The Warren Commission labeled this film "Exhibit #905" after it was subpoenaed from UPI Newsfilm. We are of the opinion that this film was never returned to UPI.

I have enclosed copies to substantiate our claim to this film including; an Affidavit of Heirship and a letter dated 1988 from UPI releasing their claim to the film. If you need further information or if I may be of assistance, please call me at (214) 230-1750.

Your anticipated expediency in settling this matter is greatly appreciated.

Sincerely,

Gayle Nix Jackson

Re: Orville Orchel Nix, Sr.
License granted to UPI for
use of film

Dear Mr. Key:

Thank you for your letter of September 27, 1988 requesting a release from United Press International ("UPI") on all rights to the Orville Nix Film on the John F. Kennedy assassination.

As you may already know, we have not been able to locate in our files a copy of the original license agreement which granted UPI a 23-year license on this film. However, it is our general belief that such license terms were entered into UPI, and we see no basis upon which your request on behalf of Mr. Nix's heirs should not be granted.

During 1988, UPI has granted non-exclusive permission to use the Nix film to WGBH-TV in Boston for a 25th anniversary T.V. show this November in "NOVA", public television weekly science show, and to Langley/Barbour Productions, Inc., a California company, for a similar purpose. We would ask that as part of UPI's release, Mr. Nix's heirs acknowledge and honor these UPI arrangements.

In consideration of the above, UPI hereby releases all rights over the Nix Film, effective as of this date, to Mr. Nix's heirs and assigns, as conditioned by the prior statement above. If this release is agreeable to Mr. Nix's heirs, please have them acknowledge their acceptance of this release by executing their signatures in the spaces provided below, and returning one (1) executed copy to me for UPI's files.

Very truly yours,

Michael E. Veve
